

International Conference on Immersive and 3D Audio

8-10 September 2021, Bologna, Italy

<http://www.i3da.eu>

Dear Colleague,

We cordially invite you to attend and submit your papers for the **International Conference on Immersive and 3D Audio (I3DA 2021)**, which will take place at the University of Bologna in **Bologna, Italy**, on **September 8-10, 2021**.

The conference will represent the most recent stages in the development of new methodologies and technologies on this field, placing itself as a **high-profile international meeting** for researchers and other professionals in immersive and 3D audio areas.

I3DA 2021 would like to involve academic and industrial researchers, scientists, engineers and professionals to exchange their latest scientific research, methods, results and share experiences about Immersive and 3D Audio in **Audio Engineering, Room acoustics, Automotive, Virtual Augmented Reality** and their applications, ranging from applications on **Music Composition** to **Audio for Automotive**, including **3D audio for gaming**.

Further topics may be accepted (e.g. **Musical Acoustics and Auralisation, Signal Processing in Acoustics, Non-Linear Acoustics in Auralisation, Architectural Acoustics, Building Acoustics** and other related topics).

Conference proceedings will be submitted to the IEEE Xplore Digital Library and SCOPUS (more info [here](#)).

Authors of selected papers will be invited to submit extended versions for consideration in the following Journals:

[Journal of the Audio Engineering Society](#)

[Building Acoustics](#)

[Applied Sciences](#)

Furthermore, a **Best Paper Award**, sponsored by [AES](#), will honor the most outstanding paper with an invitation of a free Open Access publication of the revised & extended version of the winning paper in JAES (subject to peer review).

Submission deadlines:

- September 21, 2020: online abstract submission open
- **February 21, 2021: final deadline for abstract submission**
- March 15, 2021: notification of abstract acceptance
- April 21, 2021: deadline for full paper submission
- June 21, 2021: notification of full paper review results
- July 21, 2021: deadline for final paper submission

We hope to see you in the beautiful city of Bologna, in Italy, on September 8-10, 2021!
