abstract submissions:
29 February 2024

Deadline for
manuscript submissions:
30 April 2024

Message from the Topic Editors

Dear Colleagues,

We are pleased to inform you that we are currently running a Topic entitled “Energy from Sea Waves”. We kindly invite you to contribute a paper to this Topic.

This Topic encourages the submission of the following research and review articles:

- Proposal of new solutions for wave energy harvesting;
- Improvements of the technologies;
- Experiments on pilot plants;
- Preliminary energy assessment in case studies;
- Environmental assessment on wave energy harvesting.

Prof. Dr. Daniele Milone
