on "Energy Conversion, Management, Recovery, Saving,
Storage and Renewable Systems" will be held in
Cagliari (Italy) on June 10 – 12, 2026.

<https://convegni.unica.it/aige2026/>

ABOUT THE CONFERENCE

The **11th AIGE/IIETA International Conference** and the **21th AIGE 2026 Conference** on "Energy Conversion, Management, Recovery, Saving, Storage and Renewable Systems" is organized under the auspices of the AIGE and IIETA to provide technical information to their members and to the scientific and industrial community at large.

Special thematic sessions are planned to disseminate the results of various national (NEST, PRIN, E-INS) or international projects funded by the PNRR (Innovation and Sustainability in Territorial Energy Management).

IMPORTANT DATES (please visit <https://convegni.unica.it/aige2026/>)

Abstracts submission deadline **March 22, 2026**

(see abstract submission instructions)

Notification of acceptance until **March 25, 2026**

Final papers submission deadline **April 30, 2026**

Early registration deadline: **May 10, 2026**

A paper will not be included in the conference proceedings if the author does not register to the conference before **May 10, 2026**.
